PSSA SOCCER

Yesterday our boys’ and girls’ PSSA soccer teams took part in their first match against Stroud. It was an action packed morning with both teams giving it their all. The boys were successful with a final score of 9-0 and despite the girls’ best efforts the final score for their game was 1-0 to Stroud.

As expected the students represented our school incredibly well with their good sportsmanship and attitude.

Our next game for the boys will be a home game against Dungog Public School and at this stage will take place next Tuesday 9th June (pending availability of the referee). Notes will go home regarding this game once we receive confirmation.

A big thank you to all the parents who came along to support us and a big thanks to Geoff and Felicity Hawkins for their assistance with setting up, coaching and packing up. Also a special mention to Adam Cameron and his helpers for their work on the lines.

Horse sports is an extremely dangerous activity and the NSW DEC will not be responsible for any injury or damage. There is no personal injury insurance cover provided by NSW DEC for students. Parents/caregivers are advised to assess the level and extent of their child’s involvement and acquire their own insurance.

Gloucester Public School has requirements/conditions of entry to compete in horse sports. All requirements/conditions must be met. The Horse Sports organisers also have requirements, entry forms, medical information and a release and waiver of liability.

The required school equestrian uniform consists of:
- A long sleeved light blue school shirt
- A dark blue v-neck knitted jumper (available from BIG W)

There are only eight places on our horse sports team. All entry forms and fees need to be sent to Gloucester Public School to the team manager, Mrs Margaret Wilson, by Thursday 18th June. Entry forms and information will be available from this Thursday 4th June from the admin office. Any questions or enquiries please contact Mrs Wilson.

NO ASSEMBLY this week due to Primary Athletics Carnival.
What a great afternoon! The kids in Years 3 and 4 had a wonderful time dressing up last Thursday as part of their project and to celebrate the conclusion of our studies on the British colonisation of Australia.

Students took the opportunity to take on the role of their researched person, show off some of the work they have done, play some games that children of the time would have played and to try some of the foods they ate. I’m not sure if sauerkraut was on their list of favourites even if it did keep the scurvy at bay!

A huge thank you must be given to all parents, carers, visitors and friends who came out in their droves to be a part of the celebration of the students’ learning. It made their day all the more special!

Thank you also to Mrs Groves who received a good flogging from Mr Maggs for the entertainment of the kids (I’m sure she deserved it for something!)

Choir Performance - Taree Eisteddfod

Our choir will be competing at the Taree Eisteddfod tomorrow, Wednesday 3 June. The bus will be departing the school at 8:30am. Please drop off your child beforehand so the bus can leave on time.

We wish the choir all the best for their performance and would like to thank them for all of the hard work and effort they have put into their rehearsals.

Don't forget to wear your costume to school and pack your school uniform in your bag.

We will be back at school by lunchtime so students are still able to order their lunches from the canteen.

We’re a Sporting School

Our after school program is proving to be very popular. It is not too late to enroll your child in the program that we are running this term. Just grab an enrolment form at the front office and once it has been completed and returned, your child will be able to start.

Remember, our Sporting Schools Program is only running for 5 weeks this term with Thursday 18th June being the last session.

On Thursdays, Sporting Schools is focusing on tennis skills. The school has some tennis racquets, but not quite enough for all students. If your children have their own racquets that you don’t mind them bringing to school, could they please bring them this week (Thursday).

Many thanks

Debating

Last week our Year 6 debating team took part in their first debate against Wingham Brush Public School via video conference. We were the negative team and our topic was ‘School canteens should only sell healthy food’. The girls were extremely poised and presented their arguments clearly. It was a close result however, the girls fell short by just two points.

We were all very proud of their efforts and are looking forward to the next debate later this term.

For: Students K-6
When: Tuesday and Thursday @ 3-4pm

**Maths Olympiad**

Our families are off to a flying start with the Home Math Olympiad. Last week’s entrants were all correct in their answer \((n = 15)\). Well done to the Badham, Beggs, Bignell, Channon and Collins families. Remember, even if you did not enter last week, you can still start this week. If you bring your answers to the office, the lovely ladies there will direct you to the entry box. Good luck.

You may notice that this week’s question may make you all think a little longer and harder. We are still warming up though. Good luck!

What is the value of

**Maths Games**

This year is the first year that the ‘Maths Games’ has been offered and Gloucester Public School has taken up the offer of running this competition. It is very similar to the Maths Olympiad competition that we have running in the school, but allows more students to be involved. The overall aim is to encourage students to develop important mathematical problem solving skills in an enjoyable environment.

A note was sent home with your Year 5 or Year 6 child today if they are involved in the competition. The Maths Games consists of five separate contests held approximately one month apart between May and September. The students have already competed in a trial contest. From now on the contests will be recorded and the points tallied to see who wins.

Each week, the students will have practice with different problem solving techniques in their allotted teams. We have two Maths Games teams from Gloucester. We suggest students practise solving mathematical problems at home, so have a go at the Maths Olympiad for families competition in this newsletter.

**2015 Years 3-6 Athletics Carnival**

Just a quick reminder that our Years 3-6 Athletics Carnival is on this Friday 5th June 2015. Students should be at the carnival at Gloucester District Park (athletics track), ready for a 9am start.

If travelling by car, students are to be dropped off and picked up from the athletics track. Buses will deliver and pick up students directly from the track. If arrangements change or differ from normal please send a note to your child’s class teacher.

Please ensure that students are dressed in appropriate and sun smart clothing, in collared shirts/polos/tshirts, correct footwear and school hat. Under no circumstances should any students wear singlet/crop tops for the duration of the day. Remember, students are encouraged to dress in their house colours: Bradman - green, Parkes - blue, Dobell - red, Flynn - yellow. Students must bring their own water, recess and lunch. If students wish to order their lunch from the school canteen, these orders must be into the canteen tomorrow.

Looking forward to a wonderful day of fun, competition and good sportsmanship.

Thank you,

Eve Green and Berrill Ley

**Year 6 Shirts**
The Year 6 shirts have arrived and are ready for collection. As per the note sent home last week, on payment ($25.00) your child will be given his/her shirt. There has been some confusion with students that they had paid when they ordered their shirt. This was not the case and payment had not been called for until last week, so none of the remaining shirts have been paid for. Most students ordered only one shirt, so if you are in doubt, please contact me. If you chose to pay for your shirt online, please print off confirmation of this and send it in with your child. If there are any problems, please do not hesitate to contact me at school. Many of the Year 6 students had their shirts on last Friday and they stood out as the seniors of our school. I have had some lovely comments from the students and parents about the shirts and am very pleased with the final product. Thank you Year 6 parents/carers for your ongoing support.

**PSSA Netball Knockout**
The first game of the PSSA girls’ netball knockout against Stroud Public School was a wonderful display of teamwork and skill. The GPS girls had a convincing win with many admirable plays down the centre court. The four quarters gave us plenty of opportunity to see what play combinations worked best. We began on fire with great centre passes from Hannah Higgins to wing attack Lucy Corbett who passed down the court to the experienced Emma Ashton, where she and Tiarne Harvey worked their magic and shooting skills in the goal circle.

Stroud's opportunities with the ball in their half of the court were limited with the formidable defence of goal keeper Mia Warwick and goal defence Marlee Cowan. Lilly Maurer’s defensive skills and endurance kept the ball flowing through to our end of the court and provided numerous scoring opportunities that were not wasted.

Half time saw Stroud gain their second wind and increase their defence. Interchange Danielle Channon quickly read the play and her dominance at the top of the circle made for opportunities for Marlee Cowan to gain a hat trick of points as goal attack.

Natasha Murray read the game well and intercepted at every opportunity to keep the ball in our half. Allison Simon held her own as wing defence and her stretch and reach was just too great for the Stroud team to overcome. Emma Ashton worked tirelessly in the fourth quarter as centre to open up more scoring opportunities for our dominant shooters. The GPS girls are to be commended on their sportsmanship and willingness to learn and take direction from the referee.

Our next game will be played against Wauchope on Wednesday 10th June. Good luck girls!

Stage 1 Transport Excursion 2015
Years 1 and 2 usually travel to Newcastle and Williamtown as part of our transport excursion. This will change this year as both the RAAF base and Newcastle Airport are not accessible for us.
At the moment we are trying to organise an excursion to Timbertown (Wauchope) and Port Macquarie Airport. This would be a great opportunity to look at early and modern transport. We can also look at how people lived in the early years of European settlement.
The cost looks like being around $34 per student and the excursion will be in August.
We are letting you know this so you may plan your finances.

SOME THINGS TO DO
Do encourage your child to guess what the story is about.

Do praise your child when an idea or word is used that you know will come up in the story.

Do ask questions like:
“What can you tell about the story from the picture?”

“What do you think will happen in the story?”

Do read from the pictures, encouraging your child to build up a story before looking at the print.

Do talk about the start of the story, what happened by the end of the story, the people in the story...etc.

Do mention things like:
The person who wrote the story - the author
The person who did the illustrations - the illustrator
Find these people on the front cover of the book. Where else can you find their names?

It was so irritating, yet so effective.

I’m talking about my boyhood mate Terry’s habit of jokingly shrugging his shoulders whenever anyone teased him or tried to persuade him to their way of thinking.

‘Hey Terry, you’re a **&@@&@!’

Shrug.

‘Hey Terry, everyone says your…….**&@@TR!’

Shrug.

‘Hey Terry, I’m going to tell on you!’

Shrug.

His nonchalance used to drive everyone nuts!

So much so that he was rarely targeted for teasing despite the fact that he wasn’t sporty, he wasn’t cool and he was late maturing – all of which back then, as now, would put a boy in the ‘to be picked on’ category.

I thought of Terry recently when I was coaching a young person about how to respond to some schoolyard taunts.

This young person wore his heart on his sleeve, taking taunts and even witticisms too seriously for his own good. Unfortunately, some of his so-called mates used to enjoy seeing him become angry.

The best way to break this toxic cycle of taunt-react-taunt was for him to change his reaction.

So we did some coaching in the art of shrugging and before long my young charge was shrugging his shoulders, as if to say ‘Whatever,’ and walking away at the first sign of a taunt.

Eventually he was channelling Terry so well that his nonchalance even began to irritate me.

**Some things can’t be ignored**

Don’t get me wrong, Kids cannot and should not ignore all negative comments directed at them.

There are times when they need to stand up and be counted. They don’t need to be aggressive about it, but they do need to be assertive from time to time. Sticking up for a friend, rescuing someone who is being taunted or even looking out for a sibling’s best interests at school are times when children need to assert themselves rather than shrugging off a problem.

**Kids practise on their siblings**

Socially savvy kids know that some of the negative peer comments directed at them need to be ignored. However, this is quite a skill.

Ignoring comments and choosing your arguments is something many kids learn in their battles with siblings.

Those noisy sibling skirmishes that annoy the hell out of parents actually toughen kids up for the less-than-pleasant social interactions that take place in the schoolyard.

Interestingly, my boyhood mate Terry was the youngest of four brothers. I guess he would have perfected the art of shrugging out of sheer necessity.

So, if you have a sensitive child who wears his or her heart on their sleeve, or a child who reacts impulsively to both taunts and witticisms alike, you may wish to introduce the art of shrugging into their repertoire of responses.

**How to create a good shrug**

Kids can practise shrugging in front of the mirror so that they can see what a good shrug looks like. There are 4 ingredients:

2. A shrug of the shoulders.
3. A simple, non-combative, non-sarcastic line such as ‘You may be right,’ ‘Whatever’ or ‘I hadn’t thought of that’.
4. A final breaking of eye contact that indicates that they are in control.

**A word of warning**

If you teach your kids to shrug, you need to be prepared for them to use this shrugging technique against you when you direct some criticism or constructive feedback their way. If they do, you’ll find out how damn infuriating nonchalance (even when it’s fake) can be.

Oh, and you’ll be seeing a child or young person who is exercising a degree of personal power that, when used smartly, will increase their overall social effectiveness.
SAVE THE DATE- Thursday 11\textsuperscript{th} June, back up date - Thursday 18\textsuperscript{th} June 2015

On Thursday 11\textsuperscript{th} June, Kindergarten, Year 1 and Year 2 will be holding their annual Athletics carnival at the Gloucester sporting ovals. The day will commence at approximately 9.45am.

Students and staff will leave the school at 9.15am and walk down to the ovals.

Students will need to bring their school hats, recess, lunch, water bottles, sunscreen, something to sit on (eg, plastic bag) and wear their sports uniforms.

If you wish to take your child / children home at the completion of the carnival, please complete the note attached to this newsletter and return it to your classroom teacher. Thank you.

We are also after parent/ carer helpers on the day to help with marshalling and handing out places on the finish line. If you can assist at any time, please complete the note below and return it to Mrs Schafer as soon as possible.

If you are able to help out, we do require a ‘Working with Children Check’. This is free and is available online at www.kidsguardian.nsw.gov.au. Please provide this number to the school office as soon as possible. We strongly encourage all parents to apply for this certification to support the school in any event or activity. It is there to protect our volunteers and students.
